Marengo Fire Protection District and Marengo Rescue Squad District Address Sign Program

The address signs being sold are made of aluminum and covered with an engineer grade reflective laminate. The signs are being sold to help identify your residence to fire, rescue, and police during an emergency. They will also help identify your address to postal, pizza, and other deliveries. Any proceeds will be used to purchase new equipment. Please fill out the bottom portion by PRINTING all of the information requested. Your signs will be delivered and installed by our personnel as soon as possible and weather permitting. Thank you for your support!
